

Over Day Centre Bike Rides, provisionally Sunday 3rd October 2021

Following the very successful and enjoyable bike rides in 2019, Willingham Wheels and Swavesey & Over Cycle Club are planning to organise another event, this year with a choice of three rides, hopefully on Sunday 3rd October. We trust that by this date, any covid guidance will allow leisure and social activities. As before, the donation rides will aim to raise funds for the Over Day Centre.

There will be one ride for serious riders of 50 miles, a second ride for 'have-a-go' riders of 25 miles and another ride for families of 8 miles. They will commence at the Over Day Centre (at different times) and end at The Community Centre, Over (at around the same time) for a social with food, bar, refreshments and live music. Donations will go to the Day Centre, to help maintain and enhance services for the elderly in Over and surrounding villages. The rides, planned by a British Cycling Route Planner, will be marked, with back-up maintenance & first aid.

We hope local bike clubs, keen individuals and families will join us – to enjoy the rides and to help make the day a lively event. Fliers with final details will be published in the next month or so. In the meantime, please pencil in 3rd October in your diary if you might think of joining us.
