

Swavesey Together is a group of volunteers in Swavesey ready to help those in the village who are self-isolating or having to remain at home due to the new shielding guidance.

We can help with;

- Picking up shopping/ Urgent supplies
- Collecting prescriptions
- Posting mail
- A friendly phone call

The village has been split into 6 areas, with teams of volunteers covering each area between them. You should have been notified of your local volunteer via a 'viral kindness' contact card through your letterbox, and they are your first point of contact if you need anything.

If you don't think you have received a card and are unsure who to call please contact Jo, Lisa, Sandie or Paul who will co-ordinate your request and have one of the volunteers get in touch:
